

EE 309P: Power Electronics Lab

Course Code	EE 309P
Course Name	Power Electronics Lab
L-T-P-C	0-0-2-1
Prerequisites	IC-160 & IC-160P
Distribution	Elective; This course runs concurrently with EE 309
Approval	5th Senate (Oct 2013)

Laboratory Work

The laboratory will involve a few experiments related to power converters and control of the same.
