

MB 203: Macroeconomics

Course Code	MB 203
Course Name	Macroeconomics
L-T-P-C	3-0-0-3
Prerequisites	NA
Intended for	IMBA
Mutual Exclusion	NA
Approval	59th BoA (Apr 2025), in the Integrated MBA (IMBA) curriculum; 60th BoA (Jun 2025)

Preamble

The main objective of the course is to make students understand the way economy runs and the socio-economic conditions affect their decision making at macro level. The course will focus upon theoretical and empirical understanding of the economic theories and their application in Macroeconomics.

Course Modules

- **Unit 1:** Nature and scope of Macroeconomics || National income: concepts and measurement || Circular flow of national income in two, three, and four-sector economy || National income and economic welfare (8 Hours)
