L-T-P-C	3-0-0-3
Prerequisites	NA
Intended for	IMBA
Mutual Exclusion	NA
Approval	59th BoA (Apr 2025), in the Integrated MBA (IMBA) curriculum; 60th BoA (Jun 2025)

Preamble

The objective of this course is to develop a critical understanding of business ethical theories, moral principles, and core human values, and their relevance in personal, professional and varied cultural contexts among participants. The course attempts to foster ethical reasoning, professional integrity, empathy, and responsible decision-making among learners by encouraging reflection on real-life dilemmas and value-based leadership. Through case studies and interactive discussions, students will get an opportunity to enhance their skills for navigating complex ethical challenges and making contributions towards building inclusive and value-driven society.
