

PH 516: Research project I

Course Code	PH 516
Course Name	Research project I
L-T-P-C	0-0-4-2
Prerequisites	Faculty consent
Intended for	I-Ph.D.
Distribution	Core for I-Ph.D.
Approval	10th Senate (Jun 2016)

Course Modules

Faculty members of physics and related areas can offer this project course. Towards the end of vacation they have to submit their report and must give a seminar based on their work. Evaluation will be based on students performance during the period and their report and talk. The evaluation will be carried out by the faculty members involved in the program.
