

PH 527: Research project IV

Course Code	PH 527
Course Name	Research project IV
L-T-P-C	0-0-6-3
Prerequisites	Faculty consent
Intended for	I-Ph.D.
Distribution	Core for I-Ph.D.
Semester	second semester of I-Ph.D.
Approval	9th Senate (May 2016)

Course Modules

Faculty members of physics and related areas can offer this project course. Towards the end of vacation they have to submit their report and must give a seminar based on their work. Evaluation will be based on students performance during the period and their report and talk. The evaluation will be carried out by the faculty members involved in the program.
