

PH 518P: Post-Graduate Project - I

Course Code : PH 518P

Course Name : Post graduate project I

L-T-P-C : 0-0-6-3

Prerequisites : Faculty consent

Intended for : M. Sc. Physics

Distribution : Core for M. Sc. Physics

Approval: 19th Senate

Modules:

Faculty members of physics and related areas can offer this project course. Towards the end of vacation they have to submit their report and must give a seminar based on their work. Evaluation will be based on students performance during the period and their report and talk. The evaluation will be carried out by the faculty members involved in the program.
